March 2011

Dear Parent/Guardian

Re: SLG Parent Portal

I am pleased to be able to write to you all to inform you that, after a considerable wait, the Parental Portal which allows access to information about your child is now active. I am very aware of how frustrating it has been to all parties in particular to parents that this system has not been available for such a significant period of time. I want to thank you for your cooperation and support with this issue.

The SLG Portal is a website that allows you as parents/guardians to view information. On Parent Portal you can see details about attendance data, the weekly timetable, events information (i.e. merits or demerits), assessment data and copies of reports.

The system is easily accessible from home via the internet, preferably using broadband. Some parents have trialled this system and have indicated that they are delighted to be able to view key information more easily.

If you wish to have access to Parental Portal will you please complete the slip below and return it to the school.

It is possible to have up to two accounts for Parent Portal with separate user login details. (Please note each account must already be listed as a contact for the student). It is essential that you provide an email address for each account as all further correspondence relating to Parent Portal will be via email.

Once again thank you for your cooperation this term whilst this system is developed as part of the Local Authority Building Schools for the Future project which the school is part of. Over the next term we will be looking to develop the system and will write to you in due course to seek your views on such work.

Yours faithfully

C Huddleston
Deputy Headteacher

Please return to Mrs J Dewhurst Admin Support Manager – Main Office
